

DESIGN | FABRICATE | INTEGRATE

*Offering tailored solutions
for a number of
different industries*

Agricultural
Construction
Food Processing
Heavy Equipment

Material Handling
Power Generation
Transportation
Working Material

Services:

MANAGED SERVICES:

After Hours Emergency
Repair Services
In-House Engineering
2D + 3D Detailing
Concept Modeling
Shipping & Logistics

CUTTING/FORMING:

Sheet Metal & Plate Bending
Metal Laser Cutting
Waterjet Cutting
Pipe Bending

MACHINING:

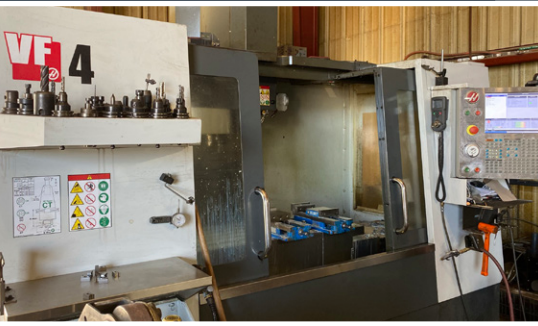

CNC
Milling
Boring
Drilling
Tapping
Part Manufacturing

WELDING:

Shielded Metal Arc (SMAW)
Gas Metal Arc (GMAW/MIG)
Flux Cored Arc (FCAW)
Gas Tungsten Arc (GTAW/TIG)

Our strategically planned work cells allow us
to not only fabricate your specialty items,
but also mass produce your custom parts.

DMF has two facilities totaling approximately 30,000 square feet. We are fully equipped to handle all of your machining & fabrication needs.

EQUIPMENT LIST:

MACHINING

- 200 Ton H-Frame Hydraulic & Multiple Arbor Press
- Shye Shing Gap Bed Lathe
- Lion Gap Bed Engine Lathe
- Elektrim Precision Engine Lathe
- Lion Gap Bed Precision Engine Lathe
- 24" x 80" Morando Gap Bed Lathe
- Vectrax 3 HP Milling Machine
- Kent 3 HP Milling Machine
- Index 3 HP Vertical Milling Machine/ Shaper
- Milwaukee Universal Milling Machine
- Cincinnati Horizontal Mill
- Thompson Surface Grinder
- Bett's 144" Heavy Duty Vertical & Turning Mill
(Coming Soon - Summer 2022)

CUTTING

- Flow Mach 500 5-Axis Waterjet
- CNC Plasma Cutter
- Spartan Saw Horizontal Cut-off Band Saw
- Scotchman Universal Pipe Notcher
- 1/2" x 10' Accurshear
- 18" Marvel #8 Mark III Power Tilt

WELDING

- Welding Machines up to 400 Amps

FORMING

- 250 Ton 12' Accurpress Press Break
- 1/2" x 10' MG Doublepinch Hydraulic 4-Roll Plate Bending Machine
